Timbers of oak

Timbers of oak keep the old homes standing through the years. It pays to use the right stuff.

"Men of oak" are men in rugged health, men whose bodies are made of the soundest materials.

Childhood is the time to lay the foundation for a sturdy constitution that will last for years.

Scott's Emulsion is the right stuff.

Scott's Emulsion stimulates the growing powers of children, helps them build a firm foundation for a sturdy constitution.

FORCE OF THE SUGGESTION

Dr. J. B. Laidman, Hired Girl, Richmond, Ky.

He was seated on the edge of a railway station platform, with an absent-minded expression in his wander-correct face, and was apparently lost in the deep contemplation of nothing, says the New York Herald.

Two young men who came from the country office in the station, where they had stood at a small window looking at the train, quickly approached him. Your home is on fire and family in danger," said one of them. "Here comes the train that will take you to get your ticket and jump about as soon as you can."

The man, staring to his feet as a flash, saw the fire, and at the same time, he saw the train. He ran across the platform, entered the station, and hurried by the ticket window, where the ticket agent presented him.

The man, who had been so much about to speak, then closed his eyes, and, turning from the window, returned directly to the platform and resumed his seat. He had a handkerchief in his pocket, and he had been sitting there for some time.
